Thermal Socks, with Liner Inner 73004

- Pieces per PSK: 1 pair
- Liner inner, thermal
- Size XL 45-47
- Weight: 147 gr
- Material:
 1. 55% merino wool,
 2. 20% elastic
 3. 17% polyamid
 4. 8% elastane

The material mix makes the socks very lightweight and also provides thermal protection and incredibly good wicking properties. These socks can be used alone or as underneath socks to increase effectiveness. They will wick away moisture keeping your feet dry and warm in harsh environments. The socks are advised to be worn with the Polar Boots to offer maximum protection from the polar conditions.

Thermal Mitten Gloves 73003

- Pieces per PSK: 1 pair
- Material:
Softshell fabric with inner insulation and hipora glove
- Weight: 202 gr

The mittens have excellent warmth, they are 100% waterproof, windproof and breathable, with a soft and durable synthetic palm for grip and easy washing. The Hipora glove insert makes it completely waterproof and provides extra insulation and warmth, in combination with the internal and extended outer cuff. **Attention!** The mittens should be worn with the thermal liner gloves for maximum protection from arctic conditions. Vacuum packed with the other PSK clothing.

Thermal Beanie Hat, Black 73005

- Pieces per PSK: 1 pc
- One size
- Fabric: 100% merino wool
- Quick drying with odor control properties
- Weight: 67 gr

This thermal beanie Hat is cozy and warm with minimal bulk, so it fits easily under your hood or helmet. It also wicks well, making it ideal for high intensity environments and when you want to keep a clear head. The balaclava should be worn with the hat to allow maximum warmth. Dims: Vacuum packed with the other PSK clothing.

Balaclava, Black 73006

- Pieces per PSK: 1 pc
- One size
- Fabric: 100% merino wool
- Weight: 74 gr

The balaclava benefits from incredibly good wicking properties and provides great thermal insulation due to its chemical construction as it does not absorb moisture or react when in contact with ordinary chemicals or acidic sweat. It is soft and durable and it is ideal for extreme conditions. It has high insulation and comes in one size only. Vacuum packed with the other PSK clothing.

Set Jacket with Salopette Insulating 73007

- Pieces per PSK: 1 set
- Insulates: Jacket & Salopette insulating, size XL
- Material:
100% PE, waterproof with insulation material
- Weight: 1.379 gr (Jacket & Salopette)

The insulating suit includes salopette and a jacket with filling for warmth and comfort. The nylon bib and the adjustable brace fitting ensure there's no chance of cold winds entering through the waist area of the trousers nor other vulnerable areas prone to cold contact (e.g. hind and knees), as they are reinforced with a waterproof padding for extra comfort. Its lightweight fabric is constructed to repel water whilst allowing moisture to escape. The insulating jacket covers all stress points, shoulder, elbow and cuff. It also features adjustable elasticated area at the collar and bottom of the jacket keeping your warmth in and the cool air out and it has pockets to store items. Dims: Both vacuum packed with other clothing items within the PSK.

Long Leg "Tie-Top" Rubber Sailing Boots 40437
